The Christmas season is almost here and unfortunately 2024 has been a difficult year for families experiencing financial hardship and this Christmas Season will add additional distress.

In years past due to the incredible generosity of many of our parishioners we were able to bring much needed Christmas cheer to many needy families in our Community. We are again asking for your help this year.

There are many ways to participate – you can as a family, SCC or group of friends adopt a family and we will supply you with the family's "Wish" list so you can shop for them (further details will be provided). **We understand that shopping for a family can be challenging and so as always gift cards and/or a donation towards this program is a big help.**

The Gifts and/or Gift Cards need to be dropped off at the parish any time between **Dec. 13-14** between 9am and 6pm (*exact room delivery details will be provided along with instructions on gift buying*).

If you are interested or would like more information, please email Phyllis Discioscia at [aafchristmas17@gmail.com](mailto:aafchristmas17@gmail.com).

### FROM THE PASTOR

**Today we hear about two widows.** In the First Reading, a widow runs into the great prophet Elijah. He asks for some water and some pastry-like concoction. She remarks that she has only a little water and oil, she'll cook it for herself and her son and after eating it, they will die. Elijah promises her that if she gives it to him, the flour and oil will last throughout the drought. In the Gospel, a widow is spotted by Jesus and his apostles at the temple placing two coins in the treasury box, which was her whole livelihood.

These two widows gave everything they had. Their examples had to be on Jesus' mind as he hung on the cross that Friday afternoon.

This is our **Youth Ministry's Discipleship Weekend**, and we're very proud of our juniors and seniors who have worked so hard to plan this incredible spiritual experience with our Youth Ministry staff and the adult team. I always say that our "secret sauce" is the large number of adults who help out with the Youth Ministry. They're great role models for the teens.

Our Family Faith Formation team is introducing the various liturgical ministries to our grammar school students during this week's **FF Breakout Sessions**. They will also learn about altar serving, lecturing, children's choir, hospitality, and liturgical dance. This will also give their parents a chance to be reintroduced to these ministries which center around our Eucharistic celebrations - the heart of our common life.

We are blessed to live in a country where our citizens can go and vote for the future they hope to bring into existence. **We pray for the new administration and all of our elected leaders**; may they govern with integrity, with care for the most vulnerable, and with concern for the common good.

We celebrate **Veteran's Day** on Monday, and we salute all those brave soldiers who have protected us and our land of the free.

Fr. Bob

Join us to digest a modern Catholic classic with other parishioners.

Pulitzer Prize Winner Tracy Kidder's **MOUNTAINS BEYOND MOUNTAINS** (2003) tells the story of American Dr. Paul Farmer, “the man who would cure the world.” In medical school at Harvard, Paul Farmer found his life's calling: to cure infectious diseases and to bring the lifesaving tools of modern medicine to those most in need. Kidder's account shows how one person can make a difference, starting in Haiti.
